

CURRICULAR ASPECTS

Programme Offered by the Department:

Bachelors Of Interior Design (B.ID)

The department offers a full time degree program with a duration of four years to pursue specialization in the professional field. The course has been certified by UGC council and is Self Financed.

Objectives:

There are various aspects which altogether form the design approach and nurture the varied skills of an individuals. The curriculum is designed to impart skills in various subjects of aesthetics, spatial understanding, human behavior, use of materials and its applications and development of technical skills. With a vision to cater an all-round development, the course is a multi-layered experimental process where in there lies a thin distinct line between art, design and architecture which is imbibed and preserved as a whole.
