A one day "National Conference on Sustainable Chemistry:Frontiers & Challenges" sponsored by SAP (UGC) is being organized at the Department of Chemistry, Veer Narmad South Gujarat University, Surat on 12th March, 2019. We are expecting large participation of experts and researchers from industries, academia & research institutions.

About Chemistry Department

The department is known for postgraduate education and research in different disciplines of chemistry. The department has been granted funds by DST (FIST) & UGC (SAP) programme. It has 03 Professors, 01 Associate Professor, 03 Assistant Professors, 1 Emeritus Fellow, 09 Teaching Assistants, 16 administrative staff, over 400 Master's students and more than 20 research students. M.Sc. courses are run in four branches viz., Inorganic Chemistry, Organic Chemistry, Physical Chemistry and Analytical Chemistry with total intake of 85 students in M.Sc. semester-I. We are running two Self-Finance Courses (i) M.Sc. Morning Course: Organic Chemistry/Environmental Chemistry (ii) M.Sc. Evening Course: Organic Chemistry.

The research is done in the areas like Synthetic Organic Chemistry (Dyes, Medicinal Chemistry, Polymer), Drug Delivery, Environmental Chemistry, Solution Thermodynamics, Surface & Colloids Chemistry, Co-ordination, Liquid Crystals Chemistry etc. Until now department has published more than 950 research papers in national and international journals. The department has so far produced 360 Ph.D. and 185 M.Phil. students.

Objective and Importance of the Conference

The objective of the conference is to review the state of the art developments in the major thrust areas of Chemistry. The event is further aimed to provide a platform for young researchers and teachers to interact with eminent scientists in the fields of their research interest and share their ideas.

Scientific topics

- Green Chemistry
- Nano Technology
- Synthetic Organic Chemistry (Drugs, dyes and intermediates)
- Environmental Chemistry
- Ionic Liquids
- Solution Thermodynamics & Phase equilibria
- Metal Complexes
- Surface Active Agents & Colloidal Chemistry
- Polymer Chemistry

Abstract for oral and poster presentation should be in Arial and A4 format leaving 2.5 cm on top & bottom and 3.0 cm as left and right margins. The title (font size 14) should be in bold followed by author's name(s) and affiliation (both in font size 12), followed by the email ID (font size 10) in italics, of the presenting author. **The presenting author should be underlined.** The text should follow as single space with font size 12 in Arial. The abstract should not exceed 300 words. Abstracts will be screened and acceptance of abstracts (Oral/ Poster) will be intimated to participants by email.

Call For The Papers

On behalf of the Organizing Committee, you are cordially invited to participate in this conference. We request you to send abstract to e-mail: ncscfc2019@gmail.com latest by 2nd March, 2019. The duly completed registration form and fee by cash or cheque in favour of 'M.Sc. Environmental Chemistry' should be sent to the Organizing Secretary on or before 2nd March, 2019. Certificate will be issued to presenting author.

Registration Fee

	On and before 02-03-2019
P.G. Student	Rs. 400
Research Scholar	Rs. 600
Faculty	Rs. 700
Delegate from Industry	Rs. 800

* Kit will not be given to spot registered and participant registered after 05-03-2019

Important dates

Conference Date	12th March, 2019
