Mr.Verma is a sports director in a college. There are three junior teachers working under him. He decided to organize various sports activities in the college. He delegated the responsibility of making the arrangements to his juniors. He Never trusted his juniors and kept all the decision making power like inviting of the chief guest, providing finance for various arrangements, selection of teams, selection of uniforms etc. Every time any decision was to be taken he was to be consulted. It became difficult for juniors to complete the assigned work in time, for which then they were- fired. As a result two of the juniors resigned. What is the problem in the case ? Do you think there is a problem with Mr.Verma ? Why do you think he was hesistant to delegate ?
