MESSAGE FROM I/c REGISTRAR

Appropriately renamed as 'Veer Narmad South Gujarat University' after the name of Veer Narmad, who was essentially a teacher, poet and a social reformer. Our University is rooted in the soil of South Gujarat where some of the most glorious events like the historic Dandi March took place. Inspired by the visionary social reformer, Veer Narmad, our University is committed to cater to the needs of the students in South Gujarat region, including the remote tribal areas. It aims to provide the students with adequate facilities and conducive environment for the pursuance of higher education.

Our committed, experienced and dedicated teachers with an aptitude for research in different areas of learning, provide unique opportunity mainly, to Post Graduate, M.Phil and Ph.D. students. Teachers at the university not only give the information but also help the students explore and examine the same from different perspectives by providing exposure towards real-life situations and laboratory experiments. Adopting such an approach for higher education, our University is committed to providing innovative solutions to growing needs of human resource development. Not only the academic milieu, but our administrative staff is equally committed to achieving the goal of excellence in governance and the overall purpose of serving the students to their utmost satisfaction.

Our campus is well equipped with all essential amenities required in the journey of knowledge building. Our University has excellent infrastructure facilities-Buildings, Furniture, Equipment, Internet, Libraries, Laboratories, Hostels, Sports Complex, Wi-Fi and other supporting services. Most of the departments have their Departmental Libraries and computerized laboratories.

It gives me great pleasure in placing before you the prospectus of post-graduate programmes for the academic year 2018-19. It provides all the details about different post-graduate courses offered by the University, eligibility criteria for admission, fee structure, scholarship, hostel facilities, etc. I am sure that the prospectus is exhaustive with all particulars regarding the admission procedure, which will help the aspiring students. I convey my best wishes to all aspiring students.

The curriculum is based an the UGC-CSIR NET life science syllabus with choice based credit system (CBCS).

Department also offers M.Phil and Ph.D. in the areas of Environmental Biology, Fishery Biology, Medicinal Plants, Plant Tissue Culture and Industrial Microbiology. Department has been recognised by UGC for special Assistance Programme (SAP-DRS) with thrust area of Textile industry toxicology. Faculty members of the dpartment have completed several research projects funded by National and International funding agencies like CSIR, ICMR, NPC, DST UGC, DOD, UNESCO an ONGC. Department signed an MOU with Kagoshima University of Japan along with Department of Chemistry and Aquatic Biology. Department has

produced about 100 Ph.D. since its inception. Department has well equipped laboratories with good Analytical instruments like AAS, HPTLC, HPLC, UV-Vis spectrophotometer and Zeis and Nikon photomicroscopes with flucrescence, phase contrast and dark field microscopy facilities. Department also has an in house library in addition to the University central library and computer laboratory with wi-fi internet connection to all faculty and students. Department also has Medicinal Plant Research Centre and Medicinal Plant garden. About 10 Post graduate students are offered free studentship every year from the Departmental fund, Department also offers five UGC fellowships for pursuing doctoral degree.

DEPARTMENT OF MATHEMATICS

The Department of Mathematics runs M.Sc., M.Phil, and Ph.D. Programmes in Mathematics. For admission to M.Sc. programme in Mathematics candidates should have passed his/her graduation in Mathematics. In addition to regular M.Sc. programme department also offers M.Phil. and Ph.D. programmes.

For addmission to M.Phil. programme candidate should have passed the Master Degree examination in Mathematics with atleast 50% of Marks. The Specialization available for M.Phil and Ph.D. Programme are : Numerical Analysis fluid Mechanics, Megneto-hydrodynamics. (MHD) Approximation Theory, Computational Techniques, Applied Functional Analysis, Number Theory, Bio-Fluid Dynamics, Optimization Techniques etc.

DEPARTMENT OF CHEMISTRY

The Department was established in 1970 but effectively started functioningafter it moved to the University campus in 1977 with 6 faculties and 30 M. Sc. Students in organic chemistry specialization. Since then there has been a continuous progress in the faculty/student and different specializations offered. The department of chemistry moved to the present premises in 1991.As of now the department has 2 year regular M.Sc. programmes in (I)Inorganic Chemistry (II) Organic Chemistry (III) Physical Chemistry (IV) Analytical Chemistry with total intake of 80 students in M.Sc. Part I.Self-Finance M.Sc. Courses in Organic Chemistry and Environmental Chemistry is being run in 2 new buildings with a capacity of 60 and 25 students at M.Sc. Part I level in each respective course.In addition, a Self-Finance M.Sc. Evening Course for working people with an intake 30 students is also offered.

The department is actively engaged in research leading to M.Phil. and Ph.D. degrees. The research is done in the areas like Synthetic Organic Chemistry (Organic Synthesis, Dyes, Medicinal Chemistry and Polymer), Nano Structured Materials, Drug Delivery, Environmental Chemistry, Surface& Colloids chemistry, Liquid Crystals, Co-ordination Chemistry etc.

The academic strength of the department is illustrated in peer reviewed high impact factor Scientific Citation Index(SCI) journals (like Tetrahedron, Tetrahedron Letters, Royal society of Chemistry, European Journal of Medicinal Chemistry, Langmuir, ActaChemicaIndica, Medicinal Chemistry Research, RSC Advance, Synthetic Communication, Journal of Colloid and Interface Science, Colloids and Surfaces B, Journal of Molecular Liquids, The European journal physical chemistry, Journal of Chemical Thermodynamics, Journal of Solution Chemistry, Journal of Chemical & Engineering Data, ThermochimicaActa). Until now department has published more than 950 research papers in national and international journals. We believe in producing efficient and highly qualified students. The faculty members frequently visit Universities/ Industries in India and abroad. The department has so far produced 360 Ph.Ds and 185 M.Phils. The total citation of the publications for last five years is more than 1000 (Source Scopus).

The Department has also organized few symposia/refresher courses. At present department has 3 Professors,1 Associate Professor, 3 Assistant Professors, 1 Emeritus fellow, 6 Teaching Assistants, 12 non-teaching staff, over 380 Master's students and more than 40 research students.

The Department has made best efforts in quality teaching & research. Collaboration between inter university in India and abroad as well as Industry which strengthen academic and research activities. Department is committed to such activities.

As mark of appreciation, the Department was sanctioned 60 Lacs in SAP Phase I (Special Assistant Programme) and Rs. 148 Lacs in SAP Phase II by UGC, New Delhi. Also department was sanctioned around 30 BSR Scholarships for pursuance of Doctoral study.

DEPARTMENT OF PHYSICS

Ours is a premier basic science Department in this University. This Department was established in 1970 with two faculty members, grew to have twelve sanctioned faculty members. Our students, both past and present are our ambassadors to the socitey at large. In the last five decades this Department has provided successful teachers and professors to a large number of schools and science colleges and some of our students have also joined or started industries and using their knowledge for applications. The aim of the Department is to produce well trained students in physics and Electronics. This is achieved through problem oriented teaching of theory course and by introducing "Design, Build and Test" type experiments. The efforts of the Department have been appreciated by the UGC teams.

The Department offers two years Master Degree programmes in Physics, Department offers three specializations (i) Electronics, (ii) Materials Science (iii) Theoretical Physics. The specializations of Materials science and Theoretical Physics are offered by a very few Universities in our country.

In 1973, the Department was the first in whole of Western Zone of India to start offering part time M.Phil. Programme in Physics basically for teacher's training programme. Right now we offer full time M.Phil. Programmes in Physics and Electronics. It now offers research programmes in (i) Crystal Growth (ii) Theoretical Nuclear and Particle Physics (iii) Digital communication (iv) Thin film leading to Ph.D. Degrees in Physics.

The faculty members of the Department also actively collaborate with University Science Instrumentation Centre (USIC) in running their M.Sc. (Tech) Instrumentation.

Apart from this we have contributed to the education of Physics through our active involvement in various academic activities.

Department also inspires students to participate in summer and winter schools at TIFR, BARC, PRL etc. Department of science and Technology (DST) and has got 20 Lac rupees grant under FIST programme.

DEPARTMENT OF COMPUTER SCIENCE

The University started the Post Graduate Diploma course in Computer Application (PGDCA) in 1987-1988 with the initial help of U.G.C. and D.O.E., Govt. of India and subsequent support by the State Government. Then, in 1990, the University started 3 years Master's Degree course in Computer Application (M.C.A.) with the help of U.G.C. grant and commitment of subsequent support by the State Government. From the academic year 1998-99 the Department started Part-Time P.G.D.C.A. (Evening) programme. The Department of Computer Science got its existence in the month of May 2003. Prior to this it was coordinated by the Head of the Department of Statistics and the Department of Mathematics of South Gujarat University. At present the Department is offering M.C.A., P.G.D.C.A. (Regular), M. Phil and Ph.D. programmes in Computer Science and Applications.

The Department has state of the art infrastructure facilities to fulfil the need of students. More than 30,000 sq. ft well equipped building provides the best of the education environments to the students. The horizontal extension of the building of the Department has four big theatre classrooms and 10 faculty rooms. These newfangled and contemporary facilities make this Department inimitable. These modern facilities make this Department one of the best departments of the Veer Narmad South Gujarat University. In addition to the University Library, the Department is also having its own library with about more than 3300 books and many magazines exclusively on various subjects of Computer Science. The students can avail facilities of both the libraries. In addition to this, students get full text online access to over 3,500 Journals/Magazines and referential access to many Journals/ Magazines.

The faculties are the most essential part of any educational institute for moulding and building the future of tomorrow's technocrats. The Department has highly experienced and qualified faculties. Presently there are 2 associate professor, 10 assistant professors. Apart from the regular teaching, some faculties are actively involved in supervising research students that are enrolled for M. Phil. and Ph. D. programmes. In addition to the teaching staff there are 4 technical persons to support the students in the computer laboratories.

IBM has identified the Department as its Centre of Excellence (CoE) under which certification programmes can be organized by IBM in the Department. The Department has also been identified by UGC for its Special Assistance Programme (SAP). The Department also received a Major and Minor Research Projects by UGC.

Admission to M.C.A. programme is done through common merit and done by ACPC as a part of its admission process for the M.C.A. programmes all over Gujarat. Admission to P.G.D.C.A. (Regular) is done separately by the Department.

Though there is no separate placement officer in the Department, one of the faculties renders considerable efforts for the placement of qualified students. Industrial units of Surat and neighbouring cities are encouraged to hold campus interviews in the department to bring to light the deserving ones. During last three years, many companies visited the Department for campus interviews and our students are very well placed in renowned companies of India and abroad.

DEPARTMENT OF STATISTICS

The Department of Statistics of Veer Narmad South Gujarat University was established in 1970 as a joint Department of Mathematics and Statistics. In 1996, the department was also entrusted with the responsibility of running the Computer Science teaching programme (MCA, DCA) of the University and also with the administration of Central University Computer Centre. Department is running M.Sc.(Statistics) and M.Phil. and Ph.D. programmes in Statistics. From the academic year 2007-08, the department has started a new P.G. Programme of M. Sc. (Applied Statistics) and from the year 2011-2012 Research programmes, of M. Phil. And Ph.D. in Applied Statistics, are also started with a view to bridge the gap between the theory and practice of statistics in the real world.

From the point of view of keeping pace with the new developments in the subject and also in relation to the needs of the society in view of the fast changing global economy and thereby incorporating several computer oriented statistical methods and statistical softwares namely SPSS and SYSTAT are included in the curriculum.

The department has experienced and qualified teaching faculties. They are also involved in supervising M.Phil. and Ph.D. research students

The department has successfully guided about 30 Ph.D. and about 38 M. Phil. students. Teachers of the department have published about 200 research papers in various national and international reputed journals.

The major areas of research in the department are

1. Sampling Theory 2. Statistical Inference 5. Medical Statistics
3. Applied Statistics 4. Operations Research

Facilities:

1. Department library with more than 735 books.
2. Computer laboratories : Two A.C. computer labs with 40 PCS in LAN for PG students and Computer labs with 2 PCS for research students.
3. Statistical Packages : SPSS, SYSTAT
4. LCDS, OHP, Copier, Printers, Scanners, DVD players.

Placement:

The students of the department are placed in Govt. of Gujarat, teaching position in various colleges, TCS and other private organizations.

Every year the placement bulletin is prepared and send to different institution / Offices.

Many students of the department are recruited by Gujarat Govt., NSSO, NACO, TCS, Colleges & Other organizations.

UNIVERSITY SCIENCE INSTRUMENTATION CENTER (USIC)

M.Sc. (Tech.) in Instrumentation : Two Year (Self Financed) Morning Course
Eligibility : B.Sc.
(Electronics / Physics/Chemistry / Instrumentation)
P.G. Diploma in Instrumentation (PGDI) : One year (Self Financed) - Morning Course
Eligibility : B.Sc.
(Electronics / Physics / Chemistry / Instrumentation)
University Science Instrument Center (USIC) is an Academic Department of the University looking into the matters of repairs, maintenance and fabrication of scientific instruments used by P.G. students, Researchers and Teachers of the University and affiliated colleges and institutions. Instrumentations use in an inter-disciplinary area which is extremely important in the academic and industrial sphere in the context of national development. Therefore department has started P.G. Diploma in Instrumentation from July 2002. USIC department has also started M.Sc. (Tech.) in Instrumentation from July 2004.

DEPARTMENT OF COMMERCE

VISION : To emerge as a centre of excellence and provide leadership in the field of commerce and research.
MISSION : To develop knowledge, skills, attitudes and values through dynamic and interactive methods of learning and grooming students into highly competent professional courses of commerce.
The Department of Commerce, formally set up in 2010-11, has imbibed the tradition of exploring new frontiers of knowledge in Master of Commerce (M.Com.) course and innovation in academics. In the span of four years, it has provided education in commerce field. The Department has come to posses the legitimate claim and pride of being a premier education institute in the discipline of commerce in VNSGU. The rapid growth of the Department of Commerce is raeflected in its expansion.
The Department offers an innovative, flexible learning environment. With excellent staff and small class groups, each and every student is given the opportunity to achieve their true potential.
The Department of Commerce provides infrastructure for admission process for Undergraduates, Post Graduates, M.Phil. and Ph.D Programmes.
The Department of Commerce encourages students to participate in various sports activities organised by University.
COURSE OFFERED
Master Degree Course - M.Com.

AIM OF COURSE
The aim of this course is to provide students with the opportunity to improve their results and to give them the maturity to proceed with confidence for career and also to provide Guidance and Counseling.
COURSE CONTENT (Subject offered)
Economics Growth Development and Planing - I & II
Management Theory Practices - I & II
Advertising & Sales Management - I & II
Organized Markets - I & II
Financial Management - I & II
Strategic Management - I & II
Financial & Management A/C - I to XII

G.H. BHAKTA MANAGEMENT ACADEMY, DEPARTMENT OF BUSINESS & INDUSTRIAL MANAGEMENT (DBIM)

The Department of Business & Industrial Management established in 1970, is the oldest Department in Management in the State of Gujarat. The Department now is housed in premises with state of art facilities having a total built-up area of more than 43,000 sq.ft.
The Department's library has a computerized information retrieval, documentation and web inquiry center using "SOUL" software. The library currently has 10236 books and subscribes to 77 National & international Journals.
The Department has a computer lab with LAN and internet connectivity. It is equipped with state of the art softwares and statistical packages. Wifi facility in limited area is available on the campus. The Department has developed a communication lab to help improve the communication skills of the students. All classrooms are equipped with multimedia projectors and public address system to enhance teaching learning process.
The Department has a full fledged Placement Office headed by a full time placement officer, who helps the students in getting summer placements, winter projects and the final placements.
Programmes Offered;
- Two year (Full time) MBA Programme *
- Three Year (Evening) MBA Programme for working executives *
- One year Post Graduate Diploma in Banking
- One year Post Graduate Diploma in Business Research Methodology
(Details can be had from the website : dbimsurat.edu.in)
- Ph.D. and M.Phil. Programmes

* As per ACPC guidelines CMAT score is required of candidates for admission to MBA Programmes. Details can be had from the website www.aicte-cmat.in for CMAT.

MAHATMA GANDHI DEPARTMENT OF RURAL STUDIES

The Department offers two years Master of Rural Studies Programme to Graduate in Rural Studies, Arts, Science, Commerce and Agriculture who have secured at least Second Class at their respective examination and have offered English as one of the subject during their graduate study. Candidates with Bachelor's degree in Social work and other subject offered by this University and various institutions are also eligible for admission, provided such degree have been given equivalence by Veer Narmad South Gujarat University. Selection is made through written test, group discussion and personal interview with a view to assess the aptitude of the applicant for rural work. The yearly intake at M.R.S. Part-1 is 30 students.
At M.R.S. the Department offers Specialization in Natural Resource Management and Rural Development. For semester I to III there are Six Papers in each Semester and Semester- IV is solely devoted for field training and project work. To strengthen the academic base of graduates working in or willing to work in the field of Rural Development the Department offers One year Post graduate Diploma in Rural Development and Post graduate Diploma in Natural Resource Management. These diploma courses have intake of 60 Students each.
The Department also offers M.Phil. and Ph.D. Programmes in Rural Studies.
The Department provides the facilities required for students development such as computer lab., Field laboratory, Internet, Department Library etc. Several Field Visits are also organized for students exposure.

DEPARTMENT OF JOURNALISM AND MASS COMMUNICATION

The Department of Journalism and Mass Communication offers the following programmes in the subjects of Mass Communication and Journalism:

1.Post Graduate Diploma in Journalism-1 year (2 Semesters) 2. M.A. Mass Communication-2 year (4 Semesters) (Self finance) 3.M.Phil. in Mass Communication and Journalism 4.Ph.D. in Mass Communication and Journalism. The admission to the Post Graduate Diploma in and M.A. Mass Communication programmes is on the basis of marks attained in the Bachelor's Degree examination. Candidates having a Bachelor's degree from a recognised university in any subject/faculty is eligible to apply. The minimum percentage of marks required at graduation is 40% (ST and SC) and 45% (General and SEBC). Entrance Test and Interview will be held if more applications are received. The Department also offers M.Phil. and Ph.D. Programes.

Facilities available at the Department:

1. Computer Lab with Internet Connection
2. Radio Studio
3. Television Studio
4. Class rooms with LCD Projector
5. Seminar Hall
6. Reading Room
7. Placement Facility

Teaching Method

1. Lecture with Power Point Presentation
2. Group Discussion
3. Workshop and Seminar
4. Students' Presentations
5. Study Tour and Media Visits
6. Film Appreciation Sessions
7. Practical Work in Print Journalism
8. Dissertation
9. Special Lectures by Media Persons
10. Internship

Post Graduate Diploma in Journalism :

This programme is in Gujarati medium and specializes in Gujarati Print Journalism. However the students may give the tests, assignments and exams in Gujarati/Hindi/English language. This programme has two papers on Knowledge of Computers. Separate fees for Computer Lab have to be paid as per University rules.

M.A. Mass Communication :

This programme is primarily in the English medium. However the students are given the option of writing exams in Gujarati/Hindi. The emphasis is on Print Journalism in the 1st and 2nd semesters while in the 3rd and 4th semesters the emphasis is on Television and Radio Broadcasting.

Placement :

The placement record of students of the two programmes is excellent. Former students are placed in ETV, TV9, local television channels, radio channels like Radio Mirchi, Big FM, MY FM, Radio City and Akashwani. They are also working in newspapers like Gujarat Mitra, Gujarat Samachar, Sandesh, Rajasthan Patrika, Divya Bhaskar, Indian Express and The Times of India. Many students are also working in the Information Department of the Government of Gujarat, advertising agencies and public relation departments of organizations.

DEPARTMENT OF LIBRARY AND INFORMATION SCIENCE

University offers Master of Library & Information Science(Regular)degree course (Semester system Monday to Saturday 7.30 to 10.30 am). The Candidate seeking admission to the course must have passed Bachelor of Library Science Examination or Bachelor of Library and Information Science Examination of this University or of any other University recognized as equivalent there to, atleast in Second class.

Bachelor of Library and Information Science

The University offers one year Bachelor's of Library and Information Science Degree Course. The candidates seeking admission to the course should have passed Bachelor's Degree of any faculty of this University or of any other University recognised as equivalent there to, with English as a compulsory language. Admission is given on the basis of written test and interview. The timings for the classes are from 7.30am to 10.30am during the week days (Monday to Saturday). With the extension of education facilities both at secondary and higher secondary level there will be continuous need of well trained qualified school and college librarians. The above courses will cater to the need of those who intend to make career in Library science.

J.P. DAWER INSTITUTE OF INFORMATION SCIENCE AND TECHNOLOGY
Department of Information & Communication Technology

M.Sc.(Information and Communication Technology), 2 years PG Course

The Institution

Looking at the needs of specialized courses in the field of Information Science and Communication Technologies, a separate institute was established in the university campus in 2000-01. There are two courses run by the University namely M.Sc. (Information Technology) , a 5 year integrated course and M.Sc. (Information and Communication Technology) , a 2 year Postgraduate course. The institute has a spacious building with all necessary infrastructure like blade servers and high speed internet connectivity with a WIFI campus for running these courses.

M.Sc.(I.C.T) Course

M.Sc. (I.C.T.) course is a unique 2 year post graduate course started from year 2005. This is a specialized course which is being offered to graduates in discipline of Computer Science and IT.

The course is designed to cover all state of the art and cutting edge technologies which will enable students to excel in IT industry and its related domains. Some of the subjects included in the curriculum are

1. Java Web and Enterprise Applications Development
2. Smart device computing using Android
3. Smart Device Computing using iOS
4. Cloud Computing
5. Service Oriented Architecture
6. Enterprise Dot Net Applications
7. Open Source Application development etc... to name a few.
8. Internet of things (I.T)

Degree Awarded

On Completion of 2 years of the course the student will receive degree of Master of Computer Science (Information and Communication Technology). This is a recognized degree awarded by Veer Narmad South Gujarat University Surat. After obtaining this degree a person can work as an IT/ Communicational Technology professional or pursue further studies

Semester System

The course has a semester system and allows the students to complete the course in two years / four semesters

Andragogy

- Regular Classroom Lectures
- Practical in Computer Labs
- Project Work in every semester
- Interactive Group Discussion
- Case Studies
- Seminars
- Audio Visual Sessions
- Mock Placement Tests
- Mock Interviews
- Mock Aptitute Tests
- Lectures from Emminent Scholars

DEPARTMENT OF BIOTECHNOLOGY

Vision:
Creating the means to achieve the newer heights in the field of biotechnology for the welfare of the society.

Mission:
Empowering mankind with the means of biotechnology to prosper.

Objectives:

1. To convey scientific and technological knowledge and information with modern age orientation.
2. To help young learners and realize that science and technology, both hand in hand can enrich and develop personality, thus promising a life of success and achievement.

M. Sc. Biotechnology Course was started in 2006 with an aim to cater to the need of higher education in the emerging field of Biotechnology.

We strive to achieve excellence and relevance in biotechnology. The department follows the co-education pattern and vigorously engages in teaching, research and co-curricular activities to boost up and build career of the students. The department has a young experienced, energetic and learned faculty working as a team to give best quality education to the students. The department boasts of state of art laboratories which are well equipped with latest instruments. We have an excellent library with rich collection of textbooks, reference books, journals, bulletins and CDs. Computer and internet facility is also available for the students. All the students have equal right to use these facilities available at the department.

Apart from the primary thrust of academics, the department is vigorously involved in research and has completed various research projects and contributed several research publications to the society of science. Our students have proved their academic potential with excellent results in examination and good employment rate. Moreover, the immigration of many students to overseas for higher education and employment as well as many foreign students currently studying in the department indicates our global acceptance.

Courses offered:

1. B. Sc. & M. Sc. Biotechnology (5 Years)
2. B. Sc. Microbiology (3 Years)
3. Post Graduate Diploma in Molecular & Biochemical Technology (1 Year)
4. Certificate Course in Basics of Biotechnology (6 Months)
5. M. Phil. & Ph. D.

FEE STRUCTURE FOR POST GRADUATE COURSES

(1) The Tuition / Laboratory / Other fees for the Post Graduate students except for the courses which are partly self financed from the Fees as mentioned in Ordinance 128 (1) enrolled at the respective P.G. Centres OR the University Department shall be charged at the following rates. (As per Syndicate Resolution No.193, dt.3/4/11-6-2010 and Syndicate Resolution No.1, Dt. 11-02-2015)

યુનિવર્સિટી ગીત

ધન્ય ધન્ય ધરતી લીલી મંગલ દક્ષિણ ગુજરાત,
સ્થાપિત વિદ્યાપીઠ અમારી રમ્ય અને રળિયાત.

તાપી, પૂર્ણા, સરિત નર્મદા, અમ્બિકા, કાવેરી,
લાટ સદાએ લીલોછમ નદીઓનાં પટકૂળ પ્હેરી.
પશ્ચિમે રત્નાકર કેરી ધૂઘવે તરંગમાળ,
કુદરતની છે મ્હેર કે ભૂમિ બારે માસ રસાળ.

સરળ પ્રકૃતિના સૌ લોકો આનન્દી, અભિજાત...
ધન્ય ધન્ય ધરતી લીલી મંગલ દક્ષિણ ગુજરાત...

ભૃગુઋષિની પુણ્યભૂમિછે, ભૃગુકચ્છ મશહુર,
ચૌર્યાસી બંદરના ધ્વજથી, સુરત સૌમ્ય – ભરપૂર.
રામ અને શબરીને પગલે, ધન્ય ડાંગની ધરતી,
કોલક, કીમ, મીંઢોળા નદીઓ, નિશદિન કલકલ ધરતી.

સાત સમંદર પાર અહીંની પ્રજા ઘણી પ્રખ્યાત,
ધન્ય ધન્ય ધરતી લીલી મંગલ દક્ષિણ ગુજરાત...

રાનીપરજ ને કાળીપરજના ભાતીગળ સંચાર,
આદિવાસી-વનવાસીઓના ઉત્સવમય વ્યવહાર.
અહીં બંદરો ધમધમતાં, ઉદ્યોગો ધમધોકાર,
કલા-કસબને ભ્રાતૃભાવના અહીં ઉત્તમ સંસ્કાર.

અર્વાચીન સમયનું ઊગ્યું અહીં પહેલું પરભાત...
ધન્ય ધન્ય ધરતી લીલી મંગલ દક્ષિણ ગુજરાત...

નમક લઈ દાંડીમાં ગાંધીએ ફૂંકયો પડકાર,
બારડોલીના સત્યાગ્રહથી પંકાયા સરદાર.
કવિ નર્મદની કલમે પ્રગટયું ગરવું ગુર્જરી-ગીત,
મુનશીજીએ સદા શીખવી અસ્મિતા શું પ્રીત.

સ્વતંત્રતાનો દાદાએ અહીં શંખ ફૂંકયો સાક્ષાત્,
ધન્ય ધન્ય ધરતી લીલી મંગલ દક્ષિણ ગુજરાત...

દક્ષિણ ગુર્જર ક્ષેત્રની વિદ્યાપીઠ અમારી માતા,
સત્ય, જ્ઞાનને અનંતની એ છે ઉજજવલ ઉદ્ગાતા.
એના ગૌરવ, વિકાસ પ્રગતિ અમને પ્રાણથી વહાલાં,
એને કંઠે પહેરવીશું સિદ્ધિની જયમાલા.

વિદ્યાને ચરણે ધરીએ નિષ્ઠાનાં પારિજાત,
ધન્ય ધન્ય ધરતી લીલી મંગલ દક્ષિણ ગુજરાત,
સ્થાપિત વિદ્યાપીઠ અમારી રમ્ય અને રળિયાત.
