Online Education

1. Does all programs/courses were completed on time.	Yes
--	-----

2. Measures taken to complete the syllabus of courses and programs.		Veer Narmad South Gujarat University proactively acts on the planning of teaching in an academic year. In the beginning of every year, the Deans of all faculties chalk down academic calendar of their respective faculties consisting of the start date of a semester, end date of semester and also the dates of internal and external examinations. The academic calendar prepared by the Deans is approved by the Academic Council (AC) and the Syndicate of the University and the calendar is published on the University website. The calendar is also circulated to all the Departments of the University and to its affiliated colleges for its implementation. All the Departments and the affiliated colleges, considering the academic calendar approved by the University, prepare a micro plan for the academic activities in their respective departments and affiliated colleges. According to the plan, the faculty members complete their syllabus in time to meet the dates of internal and external examination. During the semester the faculty members not only conduct regular classes but they also assign assignments, practical problems, seminars, quiz, class tests etc. for the development of the students. If needed the faculty members also arrange extra classes in order to complete the syllabus in time. The nation has gone through a very tough time of COVID-19. During the pandemic time of COVID-19, Veer Narmad South Gujarat University meticulously planned the academic activities keeping in mind the student centric approach. Till the situation of COVID-19 was not normal, all the academic activities including delivery of lectures, conducting practical wherever possible, assignments, class tests, internal tests, external tests etc. were conducted online. The faculty members used online platforms like Google Classroom, Microsoft Team, ZOOM etc. for delivering lectures. Classroom platform was also used for assignments, providing class notes etc. In some of the departments the practical were conducted online using 'ANY DESK' tool. For seamless communication with the students, many departments used online platform like WhatsApp. The WhatsApp was used for circulating important circulars, notices etc. The University also conducted online Multiple Choice Question (MCQ) examination of the students and declared their results in time. Thus, Veer Narmad South Gujarat University always completes the syllabus of all the courses and hence the programs regularly in time.
