If not change the teacher. Not of teachers are there who are need to be changed. Don't judge them on behave of three seniority or senior post in department. Many subject teacher are just doing breeze. Make a survey for individual teachers performance. Some of them are really good. But some are very bad. And change them as soon as possible. In this survey write what I feel and around 90% student are. And Ptz work on it. Don't just do it as it's compulsory by University.

Due to which teachers go fast which many times become like how it happened to students and students are left with question mark in short responses to be given to whatever teacher has taught is well explained to them rather than on completion of syllabus. Also the assignment topic is beyond my understanding, students have no time to study as all the time the assignments are there for the submission.
